No. GSMCH/2022-23/DO/065

Dated: 01<sup>st</sup> December 2022

To give a fillip and better accountability of quality of PG teaching, following has been decided.

1. There will be 6 monthly appraisals of PGs in theory and practical.
2. The progress of thesis will be decided through a session in PG Seminar/Journal club keeping a session on individual thesis on what a candidate has done so far i.e. Review of literature on the topic, observation made so far etc. The progress should be entered in PG activity register of the department by either HOD or the Moderator of that session **in writing**.
3. Communication of PG's progress to parents at least 6 monthly by respective HODs with a copy marked to O/O Dean in terms of –
  - A. Academic progress
  - B. Clinical progress
  - C. Progress in research

Following guidelines for 6 monthly appraisals must be followed –

**Theory**

1. A paper of 1 hour duration consisting of 5 questions of 10 minutes each will be set by the HOD in consultation with other teachers not below the rank of Associate Professor. The questions can carry subsections and should be clinical problem  
Oriented to enable them to have better place in NEET – SS. The total marks of theory paper be kept 100 each question being of 20 marks (for ease of calculation)
2. The paper should be set 30 minutes before theory exam.
3. Theory exam should be kept in afternoon session.
4. The syllabus should be announced at least 1 week before the exam. ( It is advisable to divide the 3 years syllabus into 6 parts and corresponding part should be asked in the exam).Syllabus should preferably correspond with training imparted.
5. A copy of the evaluation result should be shared with O/O Dean.

**Practical**

1. It should be of 2 hours duration in first 2 years and 3 hours duration in final or 3<sup>rd</sup> year.
2. There should be 2 cases in first 2 years and on MD/MS pattern in 3<sup>rd</sup> year.
3. Viva Tables should be on pattern of MD/MS exam right from beginning. Please devote additional 5 to 10 minutes for research methodology. The latter is becoming very important nowadays.
4. The practical exam be kept in after noon and not on same day on which theory exam is kept.
